

Texas Inspectors

The Texas Real Estate Commissioners have accepted the Inspector Committee's proposed SoP's and Report format. The 30 day public comment period has begun. You can find both at;

The TPREIA sponsored Simpson StrongTie one day class was opened statewide to all inspectors on Tuesday. It and lodging are complimentary to all TPREIA members. Non members very welcome and are charged a fee. CEU's are included in this class on 2006 IRC changes. If you have not been to a Simpson StrongTie class, it is well worth going, their facilities are beyond belief. A flyer is attached and registration is at TPREIA.com. Don't miss it!
